

# STORM DRAIN MARKING

---

Location: Town of Mooresville

Hours: Anytime

Duration: 1-2 Hours/This is an ongoing opportunity.

## Description

Small groups of volunteers will use storm drain markers and materials provided by the Stormwater Program Specialist to mark storm drains to increase public awareness about the connection between storm drains and waterbodies. Volunteers will be asked to record where they marked storm drains and to check the storm drains they mark for debris, litter, garbage, or other indicators of illicit discharges. Contact the Stormwater Program Specialist (704-799-4068 or [rhernandez@ci.mooresville.nc.us](mailto:rhernandez@ci.mooresville.nc.us)) for more information, location approval, and to coordinate collection of supplies, safety equipment, and waivers.

## Skills Needed

Skills Needed: Ability to work outdoors, ability to do light physical activity such as bending and ability to work safely along roads.

[If interested in this opportunity, please fill out an MVP Application as well as contact Rylee Hernandez at the above phone number and email address]
